Subject: Pebble PEIS NEPA Comment Document

DRAFT DELIBERATIVE

Lee,

Attached, please find OWOW's revision to the Pebble PEIS NEPA comment for your review and clearance. John and I have reviewed and edited this document. Per our discussion earlier this week, we revised the 404 related sections (Wetlands, Mitigation, Fish) of the NEPA document for tone and clarity. OP has asked to get our comments to them before COB today so they can send the comment document to region 10.

Let me know if you have a questions or concerns.

Thanks.
